**FREE**  
Diagnostics included

Receive a free diagnostic at an  
A-Protect Authorized Repair Centre

A-Protect will offer a free 30 minute diagnostic (i.e. visual, scan and road test) exclusively at an A-Protect Authorized Repair Centre.  
\*Pre-approval required. See Terms and Conditions for more information.

**Engine**

Engine block, crankshaft, pistons and piston rings, connecting rods and bearings, cylinder head(s), valves (intake and exhaust), camshaft and engine main bearings, valve lifters, valve springs and retainers, pushrods, rocker arm assemblies, wrist pins, oil pump, sprockets, timing chain and guides, timing chain tensioner, internal variable timing components.

**Transmission**

- Automatic Transmission: Transmission case, gear sets, input and output shaft, torque converter, solenoid packs, valve body, accumulator, fluid pump, countershaft, modulator valve (if applicable), bearings, bands, bands apply servo, parking pawl.
- Manual Transmission: Transmission housing, bearings, input and output shaft, counter shaft, synchro assemblies, gear sets, selector shaft and shifter forks.

# POWERTRAIN COVERAGE

**Transfer Case/4x4**

Auxiliary differential and transfer case housing (including gears, sprockets and internal bearings).

**Differential**

- Front Wheel Drive (FWD): Housing, bearings, crown and pinion.
- Rear Wheel Drive (RWD): Housing, carrier gear and case, driver pinion and pinion gear, ring gear, differential cover, differential mounts and bearings, viscous couplers.

**Turbo/Supercharger**

Turbo/supercharger assembly and housing, supercharger compressor, turbo internal bearings and lubricated parts, clutch and pulley, wastegate and wastegate actuator, wastegate linkage, wastegate controller, blow off valve, diverter valve, mechanical pressure release valve, bypass valve, intercooler, turbo/supercharger water pump.

**Towing**

A-Protect will reimburse the Customer up to \$60.00 per day for towing expenses incurred due to a contract-covered breakdown. Valid receipts must be provided at the time of the claim.

**Trip Interruption**

For a covered claim, A-Protect will reimburse the Customer up to the maximum \$150.00 for lodging, meals, bus, taxi. If the authorized repair facility is unable to provide same-day service and is further away than 200 km (one way) from the Customer's home. Valid receipts must be provided within 7 days of the occurrence to be eligible for reimbursement.

**CLAIMS-FREE?****RENEW**

YEAR TERMS\*

## ADDITIONAL OPTIONS

**UNLIMITED KM**

There will be no mileage restriction applied to the term of the warranty. For light commercial/business use vehicles, Unlimited km is not applicable.

**Zero Deductible**

The deductible amount will be waived for the duration of the warranty term if this option is selected.

**Hi-Tech Components**

Electronic instrument displays (speedometer, tachometer, odometer, fuel, oil, temperature, voltage), collision avoidance system sensors & modules, adaptive cruise control components, display & screen (including navigation, climate control & media settings), GPS control module, power window motors, power door lock actuator motors, power seat motor, power sliding door motor, power window regulators, power window switches, blind spot monitoring sensors, bluetooth voice activation control module, cameras (front/rear/side), entertainment systems (radio/dvd/cd), exterior mirror motors, heated mirrors, heated seat components, heated steering wheel components, lane assist/collision avoidance system components, lift gate motor, parking assist sensors (front/rear), power mirror controllers.

**Hybrid Components**

Hybrid control module, inverter, hybrid electric motor(s)/generator/drive unit, hybrid specific transaxle and transmission housing, voltage inverter module, battery control module, battery pack cooling fan, DC/DC converter, onboard charger and fan.  
Exclusions: High voltage battery.

**MAKE IT A  
PLUS****Air Conditioning, Car Rental and Seals & Gaskets****Air Conditioning**

A/C compressor, A/C condenser, evaporator core, expansion valve, receiver/dryer, accumulator, A/C compressor clutch assembly, orifice tube, A/C seals and gaskets (within covered components), schrader valves.  
Exclusions: Freon and recharge.

**Car Rental**

For covered mechanical breakdowns and if the repairs exceed one (1) business day, A-Protect will reimburse the Customer up to a \$40.00 per day for car rental expenses incurred (Maximum Limit: \$240.00). Valid receipts must be provided at the time of the claim.

**Seals & Gaskets**

*Internal seals and gaskets used to contain fluids/lubricants within the covered parts.*

Crankshaft seal (front and rear), camshaft seals, cylinder head gaskets, oil pan gasket, timing cover gasket, valve cover gasket, intake manifold gaskets, valve guide seals, transmission/transaxle seals and gaskets, transfer case seals and gaskets, differential seals and gaskets.  
Exclusions: Axle seals.

\*This is not a Contract. Exclusions and limitations apply. Please review the Terms and Conditions of the Warranty Agreement.

Hybrid Components	\$ 365	\$ 395	\$ 445
Premium Vehicle Fee	\$ 200	\$ 250	\$ 270

Premium Vehicle Fee - Additional Charge will apply for the following makes: BMW, Mercedes, Audi, Tesla, Porsche, Jaguar, Lamborghini, Ferrari, Aston Martin, Bentley, McLaren, Bugatti, Maserati, Alfa Romeo, Land Rover, Subaru WRX, Chevrolet Corvette, Hummer, Volvo, DMC, Lotus, MINI, Rolls Royce, Diesel Trucks. \*List is subject to change without notice.

## LUXURY COVERAGE

### Engine

Engine block, crankshaft, pistons and piston rings, connecting rods and bearings, cylinder head(s), valves (intake and exhaust), camshaft and engine main bearings, valve lifters, valve springs and retainers, pushrods, rocker arm assemblies, wrist pins, oil pump, sprockets, timing chain and guides, timing chain tensioner, internal variable timing components.

### Transmission

- Automatic Transmission: Transmission case, gear sets, input and output shaft, torque converter, solenoid packs, valve body, accumulator, fluid pump, countershaft, modulator valve (if applicable), bearings, bands, bands apply servo, parking pawl.
- Manual Transmission: Transmission housing, bearings, input and output shaft, counter shaft, synchro assemblies, gear sets, selector shaft and shifter forks.

### Transfer Case/4x4

Auxiliary differential and transfer case housing (including gears, sprockets and internal bearings).

### Differential

- Front Wheel Drive (FWD): Housing, bearings, crown and pinion.
- Rear Wheel Drive (RWD): Housing, carrier gear and case, driver pinion and pinion gear, ring gear, differential cover, differential mounts and bearings, viscous couplers.

### Turbo/Supercharger

Turbo/supercharger assembly and housing, supercharger compressor, turbo internal bearings and lubricated parts, clutch and pulley, wastegate and wastegate actuator, wastegate linkage, wastegate controller, blow off valve, diverter valve, mechanical pressure release valve, bypass valve, intercooler, turbo/supercharger water pump.

### Towing

A-Protect will reimburse the Customer up to \$60.00 per day for towing expenses incurred due to a contract-covered breakdown. Valid receipts must be provided at the time of the claim.

### Roadside Coverage

For the registered vehicle, the Customer will receive reimbursement(s) up to \$75.00 per occurrence\*. (Maximum Limit: \$225.00) in the event roadside services are employed for towing, fuel delivery (excluding the cost of fuel), battery boost, lockout services (excluding locksmith costs), tire change (includes at tire change with vehicle spare) and winching service(s) are required. Valid receipts must be provided. \*Limitations apply.

### Trip Interruption

For a covered claim, A-Protect will reimburse the Customer up to the maximum \$150.00 for lodging, meals, bus, taxi. If the authorized repair facility is unable to provide same-day service and is further away than 200 km (one way) from the Customer's home. Valid receipts must be provided within 7 days of the occurrence to be eligible for reimbursement.

### Alternator, Starter, Solenoid Switch and Water Pump

Alternator and voltage regulator, starter and ignition solenoid, and water pump.

### Air Conditioning

A/C compressor, A/C condenser, evaporator core, expansion valve, receiver/dryer, accumulator, A/C compressor clutch assembly, orifice tube, A/C seals and gaskets (within covered components), schrader valves. Exclusions: Freon and recharge.

### Brakes

Master cylinder, brake calipers, brake vacuum booster, wheel cylinders, brake flex hoses, hydraulic steel lines and fittings, proportioning valve. Excludes: ABS Brakes

### Cooling System

Water pump, radiator cooling fan (electric/mechanical), auxiliary water pump, heater core, coolant reservoir (overflow/compression tank), heater control valve, cooling fan clutch (mechanical).

### Electrical

Blower motor, windshield wiper motors, windshield washer pump, horn assembly.

### Front Suspension

Control arms (upper and lower), control arm bushings, ball joints (upper and lower), steering knuckles.

### Fuel System

Fuel injectors, fuel pressure regulator, fuel pump, fuel rails, fuel injector lines.

### Power Steering

Power steering pump (including its seals and gaskets), rack and pinion (including its seals and gaskets), manual and power steering box, electric power assist motor.

### Seals & Gaskets

*Internal seals and gaskets used to contain fluids/lubricants within the covered parts.*

Crankshaft seal (front and rear), camshaft seals, cylinder head gaskets, oil pan gasket, timing cover gasket, valve cover gasket, intake manifold gaskets, valve guide seals, transmission/transaxle seals and gaskets, transfer case seals and gaskets, differential seals and gaskets.

Exclusions: Axle seals.

### Supplementary Parts

Motor mounts, oil pan, harmonic balancer, intake and exhaust manifold, timing cover, oil pressure sending unit, temperature gauge sending unit, dipstick and tube, flywheel, engine cooling fan clutch and assembly, drive shafts & universal joints, wheel bearings, cv axle shafts, cv joints and boots, transfer case mounts, transmission mounts, torque struts, hanger bearings, flexplate and flywheel ring/gear.

## FREE Diagnostics included

Receive a free diagnostic at an  
A-Protect Authorized Repair Centre

A-Protect will offer a free 30 minute diagnostic (i.e. visual, scan and road test) exclusively at an A-Protect Authorized Repair Centre.

\*Pre-approval required. See Terms and Conditions for more information.

## ADDITIONAL OPTIONS

### Zero Deductible

The deductible amount will be waived for the duration of the warranty term if this option is selected.

### Car Rental

For covered mechanical breakdowns and if the repairs exceed one (1) business day, A-Protect will reimburse the Customer up to a \$40.00 per day for car rental expenses incurred (Maximum Limit: \$240.00). Valid receipts must be provided at the time of the claim.

### Hi-Tech Components

Electronic instrument displays (speedometer, tachometer, odometer, fuel, oil, temperature, voltage), collision avoidance system sensors & modules, adaptive cruise control components, display & screen (including navigation, climate control & media settings), GPS control module, power window motors, power door lock actuator motors, power seat motor, power sliding door motor, power window regulators, power window switches, blind spot monitoring sensors, bluetooth voice activation control module, cameras (front/rear/side), entertainment systems (radio/dvd/cd), exterior mirror motors, heated mirrors, heated seat components, heated steering wheel components, lane assist/collision avoidance system components, lift gate motor, parking assist sensors (front/rear), power mirror controllers.

### Hybrid Components

Hybrid control module, inverter, hybrid electric motor(s)/generator/drive unit, hybrid specific transaxle and transmission housing, voltage inverter module, battery control module, battery pack cooling fan, DC/DC converter, onboard charger and fan. Exclusions: High voltage battery.

## Still have a manufacturer warranty?

Add  
**TOP UP COVERAGE**  
For \$395

The Diamond Plus Top Up Coverage must be purchased in conjunction with the Diamond Plus Warranty (Eligible for vehicles up to 100,000 km).

Diamond Plus Top Up will be in effect for the unlimited time/mileage (duration of the factory Powertrain Term). Additional options purchased will be in effect during the Diamond Plus Top Up period.

# DIAMOND PLUS COVERAGE

## Engine

Engine block, crankshaft, pistons and piston rings, connecting rods and bearings, cylinder head(s), valves (intake and exhaust), camshaft and engine main bearings, valve lifters, valve springs and retainers, pushrods, rocker arm assemblies, wrist pins, oil pump, sprockets, timing chain and guides, timing chain tensioner, internal variable timing components.

## Transmission

- Automatic Transmission: Transmission case, gear sets, input and output shaft, torque converter, solenoid packs, valve body, accumulator, fluid pump, countershaft, modulator valve (if applicable), bearings, bands, bands apply servo, parking pawl.
- Manual Transmission: Transmission housing, bearings, input and output shaft, counter shaft, synchro assemblies, gear sets, selector shaft and shifter forks.

## Transfer Case/4x4

Auxiliary differential and transfer case housing (including gears, sprockets and internal bearings).

## Differential

- Front Wheel Drive (FWD): Housing, bearings, crown and pinion.
- Rear Wheel Drive (RWD): Housing, carrier gear and case, driver pinion and pinion gear, ring gear, differential cover, differential mounts and bearings, viscous couplers.

## Turbo/Supercharger

Turbo/supercharger assembly and housing, supercharger compressor, turbo internal bearings and lubricated parts, clutch and pulley, wastegate and wastegate actuator, wastegate linkage, wastegate controller, blow off valve, diverter valve, mechanical pressure release valve, bypass valve, intercooler, turbo/supercharger water pump.

## Towing

A-Protect will reimburse the Customer up to \$60.00 per day for towing expenses incurred due to a contract-covered breakdown. Valid receipts must be provided at the time of the claim.

## Roadside Coverage

For the registered vehicle, the Customer will receive reimbursement(s) up to \$75.00 per occurrence\* (Maximum Limit: \$225.00) in the event roadside services are employed for towing, fuel delivery (excluding the cost of fuel), battery boost, lockout services (excluding locksmith costs), tire change (includes at tire change with vehicle spare) and winching service(s) are required. Valid receipts must be provided. \*Limitations apply.

## Trip Interruption

For a covered claim, A-Protect will reimburse the Customer up to the maximum \$150.00 for lodging, meals, bus, taxi. If the authorized repair facility is unable to provide same-day service and is further away than 200 km (one way) from the Customer's home. Valid receipts must be provided within 7 days of the occurrence to be eligible for reimbursement.

**Alternator, Starter, Solenoid Switch and Water Pump**  
Alternator and voltage regulator, starter and ignition solenoid, and water pump.

## Air Conditioning

A/C compressor, A/C condenser, evaporator core, expansion valve, receiver/dryer, accumulator, A/C compressor clutch assembly, orifice tube, A/C seals and gaskets (within covered components), schrader valves. Exclusions: Freon and recharge.

## Brakes

Master cylinder, brake calipers, brake vacuum booster, wheel cylinders, brake flex hoses, hydraulic steel lines and fittings, proportioning valve. Excludes: ABS Brakes

## Cooling System

Water pump, radiator cooling fan (electric/mechanical), auxiliary water pump, heater core, coolant reservoir (overflow/compression tank), heater control valve, cooling fan clutch (mechanical).

## Electrical

Blower motor, windshield wiper motors, windshield washer pump, horn assembly.

## Front Suspension

Control arms (upper and lower), control arm bushings, ball joints (upper and lower), steering knuckles.

## Rear Suspension

Control arms (upper and lower), control arm bushings, ball joints (upper and lower).

## Fuel System

Fuel injectors, fuel pressure regulator, fuel pump, fuel rails, fuel injector lines.

## Power Steering

Power steering pump (including its seals and gaskets), rack and pinion (including its seals and gaskets), manual and power steering box, electric power assist motor.

## Seals & Gaskets

*Internal seals and gaskets used to contain fluids/lubricants within the covered parts.*

Crankshaft seal (front and rear), camshaft seals, cylinder head gaskets, oil pan gasket, timing cover gasket, valve cover gasket, intake manifold gaskets, valve guide seals, transmission/transaxle seals and gaskets, transfer case seals and gaskets, differential seals and gaskets.

Exclusions: Axle seals.

## Supplementary Parts

Motor mounts, oil pan, harmonic balancer, intake and exhaust manifold, timing cover, oil pressure sending unit, temperature gauge sending unit, dipstick and tube, flywheel, engine cooling fan clutch and assembly, drive shafts & universal joints, wheel bearings, cv axle shafts, cv joints and boots, transfer case mounts, transmission mounts, torque struts, hanger bearings, flexplate and flywheel ring/gear.

## FREE Diagnostics included

Receive a free diagnostic at an A-Protect Authorized Repair Centre

A-Protect will offer a free 30 minute diagnostic (i.e. visual, scan and road test) exclusively at an A-Protect Authorized Repair Centre.

\*Pre-approval required. See Terms and Conditions for more information.

# ADDITIONAL OPTIONS

## Car Rental

For covered mechanical breakdowns and if the repairs exceed one (1) business day, A-Protect will reimburse the Customer up to a \$40.00 per day for car rental expenses incurred (Maximum Limit: \$240.00). Valid receipts must be provided at the time of the claim.

## Zero Deductible

The deductible amount will be waived for the duration of the warranty term if this option is selected.

## Hi-Tech ELITE

Electronic instrument displays (speedometer, tachometer, odometer, fuel, oil, temperature, voltage), collision avoidance system sensors & modules, adaptive cruise control components, display & screen (including navigation, climate control & media settings), GPS control module, power window motors, power door lock actuator motors, power seat motor, power sliding door motor, power window regulators, power window switches, blind spot monitoring sensors, bluetooth voice activation control module, cameras (front/rear/side), entertainment systems (radio/dvd/cd), exterior mirror motors, heated mirrors, heated seat components, heated steering wheel components, lane assist/collision avoidance system components, lift gate motor, parking assist sensors (front/rear), power mirror controllers, anti-theft control module, auto lights sensors, auto wiper sensors, body/power control module, centre console lock actuators, child safety door lock mechanisms, convertible top motor, cruise control radar distance sensor, daytime running lights module, door keypad receiver, electric hood release actuator motor, electric trunk release actuator motor, glove box lock actuators, ignition switch, interior manually operated electrical switches (including ignition switch), keyless entry door handle sensor, keyless entry door keypad, keyless entry receiver, power antenna motor, sunroof motor, tailgate activation sensor, tire pressure warning control module (TPMS), wi-fi control module.

## Powertrain PLUS

- Engine Management: Electronic control module, powertrain control module, engine management sensors, fuel injection management sensors, idle air control module and valve, engine wiring harness.
- 4x4/Drivetrain: 4x4 Locking hubs, transfer case and differential engagement components (electronic and vacuum), transfer case control module, transmission computer control module, transmission wiring harness.
- Suspension and Safety Systems: Air ride/load leveling compressors (front/rear), air ride/load leveling dampening control module, airbag module and controllers, ABS pump and pressure modulator assembly, anti-lock brake sensor rings, anti-lock brake/traction control module.
- Sensors: Crankshaft sensors, camshaft sensors, knock sensor, NOx sensors, oxygen sensors, mass airflow sensors, MAP/manifold pressure sensor, wheel speed sensors.
- Emission control: EVAP emissions control components, PCV valve, purge canister and solenoid.
- Ignition and intake components: Electronic ignition, ignition coils/coil packs, throttle body and actuators, intake manifold actuators.

## Hybrid Components

Hybrid control module, inverter, hybrid electric motor(s)/generator/drive unit, hybrid specific transaxle and transmission housing, voltage inverter module, battery control module, battery pack cooling fan, DC/DC converter, onboard charger and fan. Exclusions: High voltage battery.

# TOP UP WARRANTY

# TOP UP COVERAGE

**Alternator, Starter, Solenoid Switch and Water Pump**  
Alternator and voltage regulator, starter and ignition solenoid, and water pump.

## Air Conditioning

A/C compressor, A/C condenser, evaporator core, expansion valve, receiver/dryer, accumulator, A/C compressor clutch assembly, orifice tube, A/C seals and gaskets (within covered components), schrader valves. Exclusions: Freon and recharge.

## Brakes

Master cylinder, brake calipers, brake vacuum booster, wheel cylinders, brake flex hoses, hydraulic steel lines and fittings, proportioning valve. Excludes: ABS Brakes

## Cooling System

Water pump, radiator cooling fan (electric/mechanical), auxiliary water pump, heater core, coolant reservoir (overflow/compression tank), heater control valve, cooling fan clutch (mechanical).

## Electrical

Blower motor, windshield wiper motors, windshield washer pump, horn assembly.

## Front Suspension

Control arms (upper and lower), control arm bushings, ball joints (upper and lower), steering knuckles.

## Rear Suspension

Control arms (upper and lower), control arm bushings, ball joints (upper and lower).

## Fuel System

Fuel injectors, fuel pressure regulator, fuel pump, fuel rails, fuel injector lines.

## Power Steering

Power steering pump (including its seals and gaskets), rack and pinion (including its seals and gaskets), manual and power steering box, electric power assist motor.

## Seals & Gaskets

*Internal seals and gaskets used to contain fluids/lubricants within the covered parts.*

Crankshaft seal (front and rear), camshaft seals, cylinder head gaskets, oil pan gasket, timing cover gasket, valve cover gasket, intake manifold gaskets, valve guide seals, transmission/transaxle seals and gaskets, transfer case seals and gaskets, differential seals and gaskets.

Exclusions: Axle seals.

## Supplementary Parts

Motor mounts, oil pan, harmonic balancer, intake and exhaust manifold, timing cover, oil pressure sending unit, temperature gauge sending unit, dipstick and tube, flywheel, engine cooling fan clutch and assembly, drive shafts & universal joints, wheel bearings, cv axle shafts, cv joints and boots, transfer case mounts, transmission mounts, torque struts, hanger bearings, flexplate and flywheel ring/gear.

## Towing

A-Protect will reimburse the Customer up to \$60.00 per day for towing expenses incurred due to a contract-covered breakdown. Valid receipts must be provided at the time of the claim.

## Roadside Coverage

For the registered vehicle, the Customer will receive reimbursement(s) up to \$75.00 per occurrence\*. (Maximum Limit: \$225.00) in the event roadside services are employed for towing, fuel delivery (excluding the cost of fuel), battery boost, lockout services (excluding locksmith costs), tire change (includes at tire change with vehicle spare) and winching service(s) are required. Valid receipts must be provided within 7 days of the occurrence to be eligible for reimbursement. \*Limitations apply.

## Trip Interruption

For a covered claim, A-Protect will reimburse the Customer up to the maximum \$150.00 for lodging, meals, bus, taxi. If the authorized repair facility is unable to provide same-day service and is further away than 200 km (one way) from the Customer's home. Valid receipts must be provided within 7 days of the occurrence to be eligible for reimbursement.

## Zero Deductible

The deductible amount will be waived for the duration of the warranty term if this option is selected.

# ADDITIONAL OPTIONS

## Car Rental

For covered mechanical breakdowns and if the repairs exceed one (1) business day, A-Protect will reimburse the Customer up to a \$40.00 per day for car rental expenses incurred (Maximum Limit: \$240.00). Valid receipts must be provided at the time of the claim.

## Hi-Tech ELITE

Electronic instrument displays (speedometer, tachometer, odometer, fuel, oil, temperature, voltage), collision avoidance system sensors & modules, adaptive cruise control components, display & screen (including navigation, climate control & media settings), GPS control module, power window motors, power door lock actuator motors, power seat motor, power sliding door motor, power window regulators, power window switches, blind spot monitoring sensors, bluetooth voice activation control module, cameras (front/rear/side), entertainment systems (radio/dvd/cd), exterior mirror motors, heated mirrors, heated seat components, heated steering wheel components, lane assist/collision avoidance system components, lift gate motor, parking assist sensors (front/rear), power mirror controllers, anti-theft control module, auto lights sensors, auto wiper sensors, body/power control module, centre console lock actuators, child safety door lock mechanisms, convertible top motor, cruise control radar distance sensor, daytime running lights module, door keypad receiver, electric hood release actuator motor, electric trunk release actuator motor, glove box lock actuators, ignition switch, interior manually operated electrical switches (including ignition switch), keyless entry door handle sensor, keyless entry door keypad, keyless entry receiver, power antenna motor, sunroof motor, tailgate activation sensor, tire pressure warning control module (TPMS), wi-fi control module.

## Powertrain PLUS

- Engine Management: Electronic control module, powertrain control module, engine management sensors, fuel injection management sensors, idle air control module and valve, engine wiring harness.
- 4x4/Drivetrain: 4x4 Locking hubs, transfer case and differential engagement components (electronic and vacuum), transfer case control module, transmission computer control module, transmission wiring harness.
- Suspension and Safety Systems: Air ride/load leveling compressors (front/rear), air ride/load leveling dampening control module, airbag module and controllers, ABS pump and pressure modulator assembly, anti-lock brake sensor rings, anti-lock brake/traction control module.
- Sensors: Crankshaft sensors, camshaft sensors, knock sensor, NOx sensors, oxygen sensors, mass airflow sensors, MAP/manifold pressure sensor, wheel speed sensors.
- Emission control: EVAP emissions control components, PCV valve, purge canister and solenoid.
- Ignition and intake components: Electronic ignition, ignition coils/coil packs, throttle body and actuators, intake manifold actuators.

## Hybrid Components

Hybrid control module, inverter, hybrid electric motor(s)/generator/drive unit, hybrid specific transaxle and transmission housing, voltage inverter module, battery control module, battery pack cooling fan, DC/DC converter, onboard charger and fan. Exclusions: High voltage battery.
